## Why I Can Save You Money On Seeds

We are direct handlers and processors. We buy in large quantities direct from the growers and do our own recleaning, grading, hulling, scarifying, etc. You pay just one small handling charge. There is no middleman between you and Square Deal Brand Seeds. The handling of Square Deal Brand Seeds from the grower to you is entirely under my personal supervision and we buy nothing but the cream of the crop for our customers. We don't buy seed that contains an excess of noxious weed seed and every lot we buy is carefully recleaned to a high purity.

## Come and Look at Our Seed Stock

Why not drive over to my seed house here in Coffeyville and judge the quality of our seed for yourself? The highways are all hard-surfaced and you would find the trip enjoyable as well as profitable. If you can't come over, don't hesitate to send me any seed orders you see fit. I will give your order prompt attention.
